PRESIDENTIAL PROCLAMATION

PRESIDENTIAL PROCLAMATION

A PROCLAMATION ON NATIONAL VETERANS AND MILITARY FAMILIES MONTH, 2021

OCTOBER 29, 2021

America has the greatest Armed Forces in the history of the world. To those who serve and those that serve alongside them — their families and caregivers — we owe a debt we can never fully repay. During National Veterans and Military Families Month, we recognize and thank them for their indispensable contributions and immeasurable sacrifices in support of our national security. As we approach this season of thanksgiving, we send our gratitude to millions of service members, veterans, military families, caregivers, and survivors who have served and continue to serve our Nation. I have said many times, and it comes from my heart — we as a Nation have a sacred obligation to properly equip and prepare our troops when we send them in to harm's way and to support them and their families, both while they are deployed and when they return home.

The First Lady and I know that it is not only the person who wears the uniform serving our country but also their families who make enormous sacrifices for our Nation. As the poet John Milton wrote, "They also serve who only stand and wait." We understand the feelings of pride, uncertainty, and fear when a loved one is deployed. Every morning, you wake up and say that extra prayer for them.

Our veteran and military families do so much and ask for little. They are strong and adaptable, changing course to accommodate the needs of our country, often foregoing personal wishes. They are capable and proud, holding down the home front during their loved one's deployments, coping through their absence and the risk of danger, and helping them readjust when they come home.

These families and their Soldiers, Sailors, Airmen, Marines, Guardians, and Coast Guardsmen, are simply the best America has to offer. When they do not have what they need to thrive, it is not only individuals who suffer. If service members are worried that their spouse is struggling to keep food on the table or that their child is having a hard time at school, it is harder to focus on their mission. That is why supporting military families is a national security imperative.

.

PRESIDENTIAL PROCLAMATION

Since the earliest days of my Administration, we have been committed to a whole-of-government approach to responding to the real-time needs of our military and veteran families. Through Joining Forces, the White House initiative to support veteran and military families, caregivers, and survivors, my Administration is addressing military spouse employment and entrepreneurship, military child education, and family health and well-being. The First Lady has met with our Nation's military and veteran families, caregivers, survivors, and advocates to learn how we can better support and prioritize their needs. Those discussions help inform the efforts across the Government to share data, create innovative solutions, and implement evidence-based programs and policies. In September, Joining Forces and the National Security Council released a report outlining the first round of Administration-wide commitments and proposals for supporting military and veteran families, caregivers, and survivors. We are committed to continuing these efforts because we must, and we will, honor our sacred obligation to support our military and veteran families and ensure they receive the resources they need to thrive.

Throughout November, we show our appreciation to the spouses, partners, children, caregivers, and survivors of our service members and veterans for their selfless sacrifice on behalf of the Nation. We honor them and their invaluable contributions; we share their pride in our Armed Forces; and we will never forget what they and their loved ones do for us.

NOW, THEREFORE, I, JOSEPH R. BIDEN JR., President of the United States of America, by virtue of the authority vested in me by the Constitution and the laws of the United States, do hereby proclaim November 2021 as National Veterans and Military Families Month. I call upon the people of the United States to honor veterans and military families with appropriate ceremonies and activities.

IN WITNESS WHEREOF, I have hereunto set my hand this twenty-ninth day of October, in the year of our Lord two thousand twenty-one, and of the Independence of the United States of America the two hundred and forty-sixth.

JOSEPH R. BIDEN JR

VETERANS DAY HISTORY

Veterans Day originated as "Armistice Day" on Nov. 11, 1919, the first anniversary of the end of World War I. Congress passed a resolution in 1926 for an annual observance, and Nov. 11 became a national holiday beginning in 1938. Unlike Memorial Day, Veterans Day pays tribute to all American veterans—living or dead—but especially gives thanks to living veterans who served their country honorably during war or peacetime.

Veterans Day occurs on November 11 every year in the United States in honor of the "eleventh hour of the eleventh day of the eleventh month" of 1918 that signaled the end of World War I, known as Armistice Day.

In 1954, President Dwight D. Eisenhower officially changed the name of the holiday from Armistice Day to Veterans Day.

In 1968, the Uniform Holidays Bill was passed by Congress, which moved the celebration of Veterans Day to the fourth Monday in October. The law went into effect in 1971, but in 1975 President Gerald Ford returned Veterans Day to November 11, due to the important historical significance of the date.

Veterans Day commemorates veterans of all wars!

THANK YOU

- Freedom isn't free, and it's the men and women in uniform that pay the price for us all.
- Thank you today and every day for allowing us to enjoy liberty and justice for all!

UNEMPLOYMENT RATES FOR VETERANS

- In 2020, the jobless rate for all veterans increased to 6.5
- **Highlights from the 2020 data:**
- Unemployment rates for both male and female veterans increased in 2020, reflecting the COVID-19 pandemic. The rate for male veterans was 6.5 percent, little different from the rate of 6.7 percent for female veterans.
- Unemployment rates for White, Black, Asian, and Hispanic veterans were lower than for their nonveteran counterparts in 2020.
- Among the 581,000 unemployed veterans in 2020, 54 percent were ages 25 to 54, 41 percent were age 55 and over, and 5 percent were ages 18 to 24.
- The unemployment rate of veterans with a service-connected disability, at 6.2 percent in August 2020, did not have a statistically significant change over the year. The rate for veterans with no disability rose to 7.2 percent.
- Gulf War-era II veterans who reported a service-connected disability rating of less than 30 percent were much more likely to be in the labor force than those with a rating of 60 percent or higher in August 2020 (91.5 percent, compared with 63.6 percent).
- In August 2020, 31 percent of employed veterans with a service-connected disability worked in the public sector, compared with 19 percent of veterans with no disability and 14 percent of nonveterans.
- In 2020, the unemployment rate of veterans varied across the country, ranging from 2.7 percent in Nebraska to 11.3 percent in Michigan.

POEM

On Veterans Day we honor all
Who answered to a service call.
Soldiers young and soldiers old
Fought for freedom, brave and bold.
Some have lived, while others died,
And all of them deserve our pride.
We're proud of all the soldiers who
Kept thinking of red, white, and blue.
They fought for us and all our rights.
They fought through many days and nights.
And though we may not know each name,
We thank all veterans just the same.

"HONOR TO THE SOLDIER AND SAILOR
EVERYWHERE, WHO BRAVELY BEARS HIS COUNTRY'S
CAUSE. HONOR, ALSO, TO THE CITIZEN WHO CARES
FOR HIS BROTHER IN THE FIELD AND SERVES, AS HE
BEST CAN, THE SAME CAUSE." – ABRAHAM LINCOLN
